(d) if so, what is the reaction of his Ministry and banks?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) to (d) In the year 2003-04, out of 27 Public Sector Banks, 3 banks have exceeded their target and out of 19 Private Sector Banks, 7 banks have exceeded their target under Swarnjayanti Gram Swarozgar Yojna (SGSY). Convenor Bank for the State Level Bankers' Committee (SLBC) of the concerned State allots the financial targets under SGSY among the banks. A high level meeting with the Chairman and Managing Directors of select Scheduled Commercial Banks has been held at the Central Office of Reserve Bank of India, Mumbai on April 19, 2005 to review the position. The banks have reported some important reasons for their low performance under the scheme:—

(i) Inadequate sponsoring of applications by sponsoring agencies/District Rural Development Agencies;

(ii) Poor law and order situation;

(iii) Poor recovery of the earlier loans;

(iv) In some cases loans could not be disbursed despite follow up by the branches as the borrowers did not turn up; and

(v) Applications are submitted in bunches at the end of the financial year. The Government has advised the CMDs of all Public Sector Banks and Chairmen of Regional Rural Banks to ensure that the targets under SGSY are fulfilled and stern action be taken against the non-performing branches.

Investment in retail section

3439. SHRI ABANI ROY: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that various PSUs had reserved a substantial quantity of shares in retail investors investing upto Rs. 50,000 last year;

(b) whether this practice is not being followed by private sectors; and

(c) if so, what steps are being taken by SEBI to ensure that small investors in retail section investing upto Rs. 50,000 are allotted a substantial quantity of shares in private sectors also?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) All the PSUs which came with public issues through book building, during the last financial year *i.e.* 2004-05, had reserved at least 25% shares for retail investors in terms of the SEBI (DIP) Guidelines.

(b) SEBI(DIP) Guidelines are applicable to public issues by all companies (Except voluntary offer for sale by listed companies). Thus all companies, whether in private sector or public sector, are required to reserve at least 25% of net offer to public for Retail Individual Investors in Book Built issues and at least 50% for Retail Individual Investors in fixed price issues.

(c) SEBI has increased reservation for Retail Individual Investor from the existing 25% to 35%. SEBI has also redefined the Retail Individual Investor as the one who can apply up to Rs. 1,00,000/- as against the previous limit of Rs. 50,000/-. These amendments to SEBI(DIP) Guidelines have been brought vide circular dated March 29, 2005 and are applicable to book built public issues of any company whether, it is in private sector or public sector.
